

Quick Ship Program Overview

Fast. Reliable. Ready When You Need It.

The Quick Ship Program is designed to help customers get bollard protection faster- without sacrificing quality or performance. This program offers select high-demand bollard covers stocked and ready to ship, eliminating long lead times and helping projects stay on schedule. With Quick Ship, contractors, facilities teams, and distributors can confidently order knowing these core products are available for rapid fulfillment when timing matters most.

What the Quick Ship Program Includes

- 4 high-volume bollard cover SKUs
- Pre-stocked inventory for faster order processing
- Consistent availability on proven, best-selling products
- Same trusted durability and performance customers expect

Why It Matters

- Reduce project delays caused by long lead times
- Support urgent replacements and last-minute needs
- Simplify purchasing with dependable, in-stock options
- Keep crews moving and facilities protected

Ideal For

- Time-sensitive construction and retrofit projects
- Facilities with urgent safety or protection needs
- Distributors looking for fast-turn, reliable inventory

When speed matters, Innoplast delivers. Orders will ship within 48 hours or sooner.
